GOOD ASSORTMENT

SPECIAL ANNOUNCEMENT ABOUT RETAIL PLANT SHIPMENTS.

We are not issuing a special Variety listing of Retail Plants. This is Important to You who prefer to buy small established single crown plants. Since Express Shipping isn't always to your convenience, we are offering you by Parcel Post RETAIL our selections of choice late varieties out of 2 $\frac{1}{4}$ " pots at 59¢ each, plus an additional \$1.25 per order for shipping. Minimum order 10 plants.

If you wish certain varieties, please list them. When it is possible we will make up your order from your list, otherwise, it will be "Our Selections". This is because of limited space and the fact that we "Specialize" in plantlet rooted cuttings. Our aim is to give you better and the latest varieties in choice rooted cuttings.

We accept assorted prices on an order of Rooted Cuttings or plants. We don't mix retail and wholesale orders. We ship year around provided the weather is above freezing.

ONE WHOLESALE PRICE ONLY

IMPORTANT

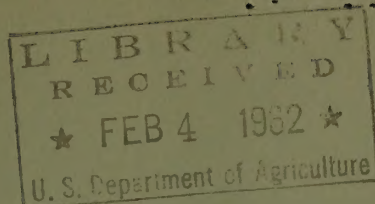

PLEASE READ

WHOLESALE - SPECIAL PRICE on 2 $\frac{1}{4}$ " plants at 29¢ each. This is a special offer and is limited, and may be cancelled by us at any time. Quantity of 25 plants to an order. Our selection one of a kind from our named varieties, nice size, fresh stock, not in bloom, budded when possible and late varieties.

All wholesale Orders shipped - Railway Express charges collect. 2 $\frac{1}{4}$ " Pots only. Please don't order Parcel Post at these prices.

Please list substitutes or we will substitute when necessary. We reserve the right to refund an order or discontinue any variety or method without notice, on all of our circulars.

Our responsibility ends when your order is shipped, as does other growers. ALL DAMAGED SHIPMENTS SHOULD BE NOTIFIED TO YOUR EXPRESS AGENT IMMEDIATELY AND CLAIMS ENTERED BY YOU.

February 1, 1962

PLEASE READ BEFORE ORDERING

In order to eliminate several circulars and give you a better selection, we are listing our rooted cutting varieties in "COLLECTIONS". You may order your rooted cuttings separately from the collections if you prefer.

The difference between Plantlets and Rooted Cuttings is not the size.

It is the number you receive, for example, in a plantlet you receive one single rooted cutting, while a rooted cutting consists of two or more rooted cuttings.

PLEASE ORDER COLLECTIONS AS LISTED

"PLANTLETS COLLECTIONS" - 6 for \$1.00 plus 75¢ per order for shipping.

"ROOTED CUTTINGS"

Your Selection from listed varieties in the collections - @ 25¢ each, minimum order \$3.00 plus \$1.00 for shipping. If you wish Special Delivery, which we recommend, please send an additional \$1.00 because of advances in rates.

EXPLANATION: These are not just rooted leaves, but young plants, ready for 2 $\frac{1}{4}$ " pots. Please name substitutes.

We reserve the right to limit the quantity or discontinue any variety or method, without notice. If you wish NO SUBSTITUTES, please specify. If there is any damage or mistake, notify immediately, or we will not be responsible. These circulars cancel all previous ones. Year around shipping at your responsibility.

If you prefer Air Mail Service please include that charge above the minimum of 75¢ per order. Air is 80¢ per lb. If over that weight you have to pay for one full pound.
